If we cannot ship within a reasonable time, we will back order these plants, but return your remittance.

Cash with order. Shipments \$10.00 or over are sent prepaid (except when weight or size is unusual), parcel post special handling, or express, to destinations east of the Mississippi. Western states add 5% to cover additional postage. On orders under \$10.00 add \$1.00 to help cover cost of handling and postage. Minimum of \$5.00 on mail orders. Air shipments on request, collect. Foreign shipments via air freight, free of soil, f.o.b. New York. Plants will be sent in plastic or paper pots wherever possible; Orchids, unless requested otherwise, in clay pots, in which case we send transportation collect. We will pack carefully, but cannot be held responsible for poor arrival because of the perishable nature of many exotic plants. We try to avoid shipping during cold weather.

Plant lovers are cordially invited to visit our 130 greenhouses, any day of the week; however, sales in our Exotics department cannot be made Saturday p.m. or Sunday when our specialists are not available. The greenhouses are located on Paterson Avenue, via Highway 3, 8 miles from Lincoln Tunnel, New York. EXOTIC HOUSE PLANTS

PRICE LIST E-58

As Wholesale Growers we must depend on quantity production of popular Flowering and Foliage plants. Aside from these, we maintain a large collection of the more unusual indoor plants. Because of limited propagating stock, such Exotics are not readily available at all times, and our listings are therefore subject to supply. Specimen Plants for decorative purposes quoted on request.

SIZES indicated are relative and determined by growth habit:

SMALL plants generally are offshoots, divisions or rooted cuttings from 2 1/4" or 3" pots.

MEDIUM size are more matured plants, usually 4" or 5" pots.

LARGE size will be good sized plants and may be in 5", 6", 7" or 8" pots, or larger.
